

45th Annual GSLFIA Flight Instructor Revalidation Clinic

Saturday & Sunday, January 24-25. The GSLIA FIRC is truly "one-of-a-kind", presented live by active aviation professionals in a guided-discussion format. Unlike online FIRC's, CFI's interact directly with the presenters to guide the discussion. The GSLFIA FIRC follows a recent A/C focused on timely issues & advice for those returning to flight instruction. FREE if you qualify! Register online at gslfia.com.

Directions: From I-64: Take Exit 16, O'Fallon/Shiloh. From I-255: Exit I-255 at Route 15 East, the Belleville exit. From I-57: Exit onto I-64 west. Take Exit 19A, Route 158/Scott Air Force Base.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
